The online "Newsletter registration" form is a data processing application managed by the Presidency of the Republic and its service providers (sending of emails and analytics).

The Presidency of the Republic undertakes to ensure that the collection and processing of data from the online "Newsletter registration" form comply with the General Data Protection Regulation (GDPR) and the Data Processing, Data Files and Individual Liberties Act.

This form collects as little data as possible (data minimization) and states:

- The objectives of the data collection (purposes);
- Whether this data is mandatory or optional for processing of your request;
- Who may access the data;
- Your data protection rights and how to exercise them.

The personal data collected are processed in accordance with secure protocols and are used to manage requests received in the computer applications of the Presidency of the Republic or which are issued by its provider.

Purpose of data processing

Purposes

The purpose of the processing is to collect information for the sending of personalized or standard emails, providing the latest news concerning the President and Presidency of the Republic.

It allows the authorized staff members of the Presidency of the Republic to:

- Prepare and send standard or personalised emails;
- Manage activities (production of activity statistics).
